

Skerries Golf Club

Guide to navigating the Club's website.

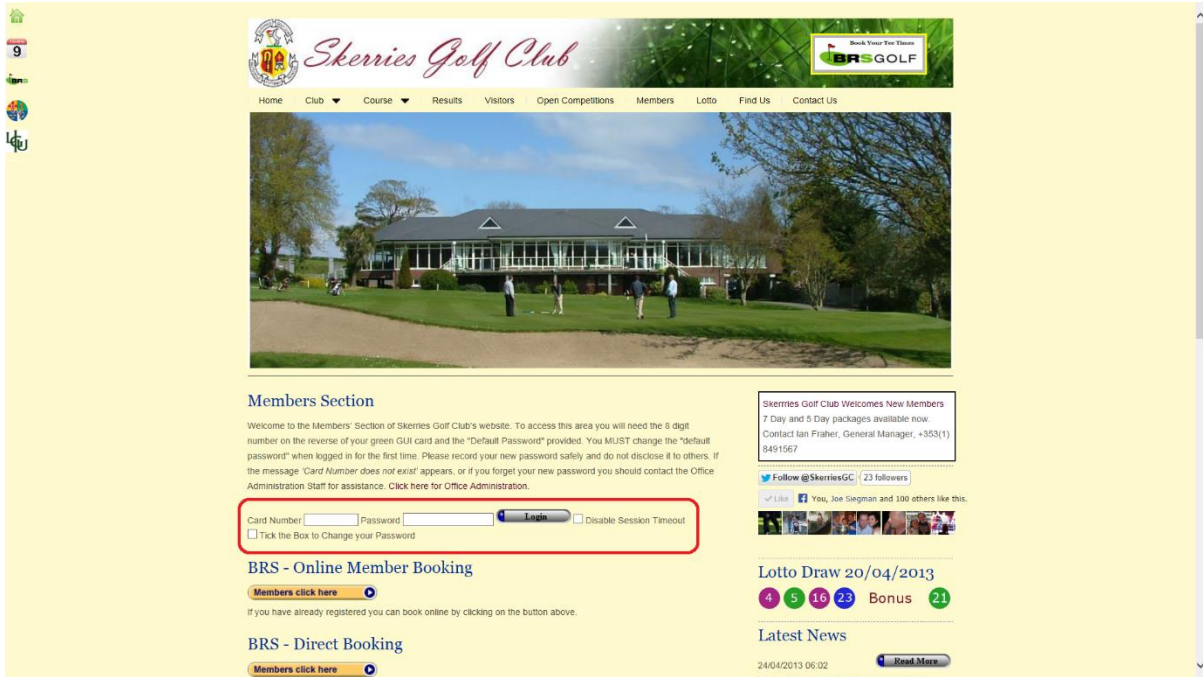

A brief overview of the home page shows the title bar and menu bar at the top of the page. Areas being described are circled in red. Underneath the menu you will see a number of pictures from various parts of the golf course. Below the pictures to the left is the current page context and to the right shows, from top to bottom, Scrolling Updates, the Twitter and Facebook accounts where updates on course availability, news and special offers will be posted. Below these are the latest Club Lotto draw results, the latest Club News items, and finally the Weather Outlook for Skerries Golf Club.

The left hand side of the page contains a quick link bar which is available from every page within the website.

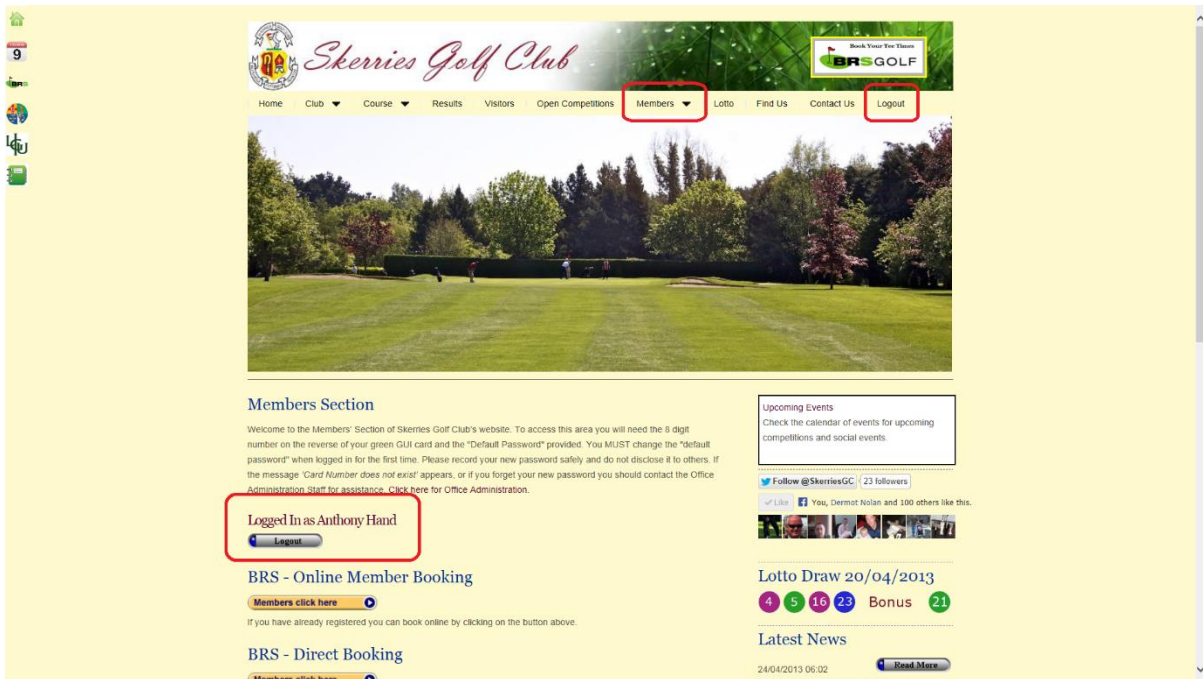

The screenshot shows the Skerries Golf Club website home page. On the left side, there is a vertical navigation bar with icons and text: "To the left you will see quick links for easy navigation from any part of the website. From top to bottom, Home, Calendar, BRS, GUI, ILGU, Member Phonebook (note this will only be visible when you have logged in to the website using your card number and password)." The main header features the club's logo and name "Skerries Golf Club" in a stylized font, with a "Book Your Tee Times" button and the BRS GOLF logo. Below the header is a horizontal menu with items: Home, Club, Course, Results, Visitors, Open Competitions, Members, Lotto, Find Us, Contact Us, and Logout. The main content area is dominated by a large photograph of a golf course green. Below the photo, there is a "Welcome to Skerries Golf Club" section with a paragraph of text describing the club's history and facilities. To the right of this text is a small box titled "Skerries Golf Club Welcomes New Members" with contact information for Ian Fraher. Below the welcome section is a "Captains' Message" featuring a photo of a man and a woman, with text congratulating the new captains. To the right of the message is a "Lotto Draw 20/04/2013" section showing the winning numbers: 4, 5, 16, 23, Bonus 21. At the bottom right, there is a "Latest News" section with a "Read More" button. On the far right, there is a vertical annotation: "To the left in the title bar you will see the BRS logo, clicking this will bring you to the member booking page of the website."

Member Login:

To access the member section of the website, from the Menu beneath the title bar, click the "Member" menu item and this will allow you to enter your GUI/ILGU 8 digit card number found on the back of the club card. Your password by default is your surname. When logging into the member section for the first time you will be prompted to change and activate your password. Please record your new password safely and do not disclose it to others. If the message '*Card Number does not exist*' appears, or if you forget your new password, you should contact the Office Administration Staff for assistance. You will also see two tick boxes, the first "Disable Session Timeout" which when ticked prevents the browser session logging you out of the member section after 5 minutes of inactivity. The second tick box allows you to change your password, if you feel it has been compromised.

Once you have logged in successfully you will see the following screen. The “Member” dropdown menu includes access to the Member Phone Directory, a Suggestion Box, Document Archives (with meeting minutes and various other documents visible to members only), and Golfer’s Insurance. It also has a Match play section containing the rules for each event and the current year draw and status. In this section you can also amend your own personal details such as your name, phone numbers and contact email address (N.B. the email address is not shown by default).
